## CSAAPT Fall 2012 Meeting

---

**Radford University**

**November 10, 2012**

**Talks to start at 10 AM**

**Lunchtime talk starting around noon**

**Business meeting to follow**

---

This meeting will deviate slightly from the usual schedule of Friday dinner and Saturday morning talks. As Radford is located fairly far away from most of the members in the Section, there will be no talk on Friday since it would probably be difficult for many members to arrive in time after work. Instead, talks will commence on Saturday morning at 10 AM and when finished there will be a lunch talk. This later start will allow time for those who want to come down on Saturday a chance to do so, while still keeping the meeting ending in the early afternoon and getting people home by Sunday.
